## Upcoming Events

- ALOA, August 6-13, Nashville TN
- GPLA, September 28-October 1, Philadelphia, PA
- ILA National Convention, October 5-8, Greensboro, NC

**Correspondence** - Mr. Truempy presented a letter sent to the DVC by Chief Bailey of the Philadelphia Fire Department, sent in response to issues raised at the Membership Meeting in February.

- Putting an object through the handles of fire exit doors violates the fire code.
- Handles are not required on the exterior side of fire exit doors.

**National Report** - Mr. Truempy introduced Jack Walder, President of ILA National.

Mr. Walder thanked the members for all they are doing for and with the Chapter.

The ILA National Convention will be in Greensboro, North Carolina this year, October 5th through the 8th. We are asking for contact information for facilities managers and other supervisors of members so that the Association (National) can send information to them about the conference. The hope is that providing this information it will enable more members to have vacation time and/or expense reimbursements approved.

National is here for the members. We are looking to work with ALOA but not to merge with them. We would like to be able to use their services and resources, such as professional management but remain a separate entity to progress into the future. More information about this will be coming in the next few weeks.

The meeting was adjourned at 7:14 to begin Baldino Lock and Key's sponsored presentation by John Kiefer and Eyal Lemberg from Mul-T-Lock.

Prizes for the drawing were provided by Mul-T-Lock.
