This Month's General Membership Meeting

This month's presenter will be Dave Sharpe, CIL, from Fried Brothers

News & Announcements

Wafer Reading & Impressioning

- On **Sunday, May 1**, the DVC will be sponsoring a Wafer Reading & Impressioning class. This is a 1-day course designed to teach the skills need to generate a "first" key when a functioning key or code isn't available. The registration flyer will be available on at www.iladvc.org. NJ locksmiths will receive 8 CEUs.

- DVC President Bob Schuetrumpf was recently awarded the **Army Achievement Medal** by the 213th Area Support group, Pennsylvania Army National Guard. SGT Schuetrumpf demonstrated exemplary qualities of responsibility, initiative, and leadership in effectively accomplishing the mission. SGT Schuetrumpf has served in the Pennsylvania Army National Guard for over 23 years. Congratulations to Bob on receiving this honor.
- Lehigh Valley Area Locksmiths:** The Lehigh Valley sub-chapter holds its meetings at the Desales University Conference Center every third Wednesday of the month. If you're interested in attending, please contact David Teel, CIL at 610-282-1100 x. 1306 or at david.teel@desales.edu.

Previous General Membership Meeting

President Bob Schuetrumpf presided and called the meeting to order at 7:01 PM. There were 18 members and 6 guests present.

John Truempy led in the Pledge of Allegiance.

The treasurer's report was presented by Vernon Kelley.

Bob gave his president's report. For anyone who hasn't heard, Don O'Shall's house was in the block that was destroyed in the gas explosion in Allentown PA. The proceeds from tonight's raffle are being donated to him and his family. We are also accepting additional donations on his behalf because of all he has done for the association.

Upcoming Classes: John and Vernon are teaching a class on Bypass Techniques this Thursday from 8:30 AM to 5:30 PM for Masters (MLANJ) at Accredited Lock Supply. DVC Members are eligible for the member price of \$150. We have flyers available and seating is limited.

We will be having a full-day class on Wafer Reading and Impressioning on May 1. Cost for Members is \$75; watch the website and the newsletter for more information

Fried Brothers will be the presenter for March

Good of the Association: Member Dan McGlynn reported on a discovery of a drilling jig for installing Von Duprin 99 exit devices. Manufactured by Major, it retails for \$425 and takes about 6-8 weeks to be delivered. It is a well-made product that works on wood or metal doors; once you drill with it everything lines up perfectly.

The meeting was adjourned at 7:11 PM to begin the presentation by Chief Bailey from the Philadelphia Fire Department.

Prizes for the drawing were provided by Select Hinges, Detex, Medeco and Clark Security.
